

# IMPERIAL ARMOUR

## THE ONE-STOP COMPANY FOR PERSONAL PROTECTION

### TRUSTED INDUSTRY LEADERS

Imperial Armour was founded in 2000, we are **award-winning manufacturers** that specialise in the **design and manufacture of personal protection equipment** for civilian, police, emergency services and military applications. Our head office in Durban, South Africa exports to over **75 countries worldwide**. As a leader in soft and hard armour, we continuously work on in-house research and development, international testing standards, and innovative solutions. All our products are designed to maximise comfort and agility without compromising safety.

*Innovative leaders in the manufacture of new and exciting products for the world market.*

### WE HAVE IT ALL UNDER ONE ROOF

Imperial Armour's focus is to save lives and we do this by providing the latest technology within our innovative designs. We are the experts in finding solutions that meet your needs, no matter which sector you operate in.

|                                                                                                                                                                                        | <p><b>COMPETITIVE PRICES</b><br/>We are solution-focused, working with our clients to meet their needs.</p>                                                      |

## WHAT OUR CLIENTS SAY

*"I have dealt with imperial Armour, Emily Driesen-Garland to be precise. We imported from Imperial Armour, Demining equipment and apparel. The order was quite urgent, and it was under high pressure and short timing. I do hereby confirm that Emily, executed this task perfectly. We were fully satisfied with Imperial Armour's work and Emily's performance. I am looking forward to future business."*

**AL KOLAN TRADING ESTABLISHMENT / SAUDI ARABIA**

*"In a short timeframe, I can see how passionate and enthusiastic Imperial Armour is about their business, everything I have asked they have delivered with the right attitude"*

**BIDVEST PROTEA COIN**
